## FINALLY!!! DECENT HOURS!

It's about time, too! How many times has this happened to you? You go to your favorite new and used record, tape, and CD store (Obsessed With Music, of course) and even though it's the middle of the day the darn place is closed! Aaargh! I hate when that happens! Well, suffer no longer, faithful patrons. We have finally expanded our hours, effective July 5, 1994. Our brand new much-less-lousy hours are Monday thru Thursday 10 AM to 7 PM, Friday and Saturday 10 AM to 8 PM, and Sunday 10 AM to 2 PM. Now isn't that better?

## WE LIVE TO SERVE!

## WHAT? FREE STUFF?

Watch for a drawing sometime in July. We have an autographed Live poster, some CD's and a few gift certificates to give away. Maybe more stuff too! Come in and enter for your chance to win. Details available at the store.

## RETURN POLICY

You have one week to return any item which you feel is defective. If the item is found to be defective it will be replaced if an identical item is in stock or you will be given store credit for the amount of the item in question. You will need **BOTH** parts of your receipt, the handwritten itemized receipt AND the cash register receipt. If you do not have these items the return will not take place. The item in question must be in the same condition as when purchased, as determined by our staff.

## CD BUY-BACK POLICY

We are so sure you will like what you buy that we will buy it back if you don't like it! Bring it back within one week with **both** receipts as described above and we will pay you 60% of your purchase price, not including tax. This minimizes the risk and lets you try music you might not otherwise take a chance on. There are, however, a few restrictions. This offer applies only to new and used full length CDs. It does not apply to box sets, singles, limited edition and/or collector's items, imports and certain other promotional and rare items. The decision will be ours so ask in advance if you have doubts. Any item that is damaged is not eligible.

Copies of the return policies are available in the store.
